Connecting 2 Nurses (C2N) Services Model.

Connecting 2 Nurses (C2N) is a division of Connecting 2 Community Circles Ltd- a Townsville Not for Profit community organisation. We provide a holistic nursing program for all individuals within our community including individuals who require assistance with disability support, aged care, acute and non-acute episodes of care and general nursing needs.

C2N is run by Registered Nurses with a broad range of experience. Our aim is to provide an individual and their family with the holistic support they require to meet their health needs or goals while promoting safety, comfort and independence.

Competency based education and training can be delivered to individuals, carers, care givers and family to support an individual's health needs. Our services are designed to be an outreach service, with all services being delivered within the individuals home.

Our nursing services will deliver a broad range of services including; wound and stoma care, diabetes care and support, catheter and continence care, safe, responsible management of medications, general wellbeing, development of care plans and competency-based training.
